

## **NSS WING PG COLLEGE RAJOURI UNDERTAKES 100 HRS SBSI PROGRAMME**

Govt PG College Rajouri undertakes 100 hrs Swachh Bharat Summer Internship Programme w.e. f July 1, 2018 under the leadership of Dr Naseem A. Malik and Prof Raheela Mushtaq NSS Programme Officers (Boys and Girl Wings). As many as three teams comprising 10 volunteers each participated in the Programme to make this event a success. The NSS Units adopted two villages Chaudhary Nar and Aiti where the Volunteers under the command of their Programme Officers conducted door to door awareness campaign to educate the masses regarding cleanliness. The Programme Officers Dr Naseem Malik and Prof Raheela Mushtaq talked to the people of the adopted villages and oriented them about the maintenance of hygienic conditions around their surroundings. The importance and significance of environmental cleanliness was manifested upon the villages by the NSS Programme officer. The volunteers practically educated the masses how to segregate the waste and make a proper disposal of it so that the threats to the environment and surrounding habitats can be reduced to the great extent. People of the said villages were keen to be programmed and hence they extended complete cooperation to the NSS teams.
