Scope of the Conference

The world at present is standing at the threshold of scientific & technological revolution and welfare approaches in humanities, arts and culture. This interdisciplinary conference will provide a holistic vision on sustainable development, to promote research oriented temperament and interaction among faculty, scholars, young researchers and the students. The conference will focus on emerging trends and effective exchange of ideas in sciences, humanities, arts and languages. The conference will also provide an excellent opportunity to explore the knowledge, research and its application to mitigate the human sufferings. The scholars in the field of science, technology, social sciences and languages are invited to present their original research work on various topics related to the theme/sub-themes of the conference. The conference will encompass keynote addresses, invited talks, plenary sessions, paper and poster presentations. The young students will also be given an opportunity to make their presentations on the sub-themes of this interdisciplinary conference in parallel sessions.

Sub-themes

The conference is centred on the theme 'Recent Developments in Interdisciplinary Sciences and Humanities' focussing around the following sub-themes:

- Innovative approaches in Physical, Chemical & Earth Sciences
- Emerging Trends in Analysis & Algebra
- Nanotechnology and Nano-materials.
- Environmental Issues and their Mitigation
- Plant Diversity & Conservation Technology
- Ethno-medicinal Plants
- Recent Developments in Computing Environment for benefit of Society.
- Humanities & Sciences
- Religion and Science
- History & Role of Vernacular languages in Indian Literature
- Recent developments in Humanities, Literature & Social issues.
- Constructivism: A paradigm for Teaching and Learning

About the College

Govt. PG College Rajouri is located at a small plateau at village Kheora, two and a half kilometre to the north of City of Kings, Rajouri town. College campus gives a picturesque look in the backdrop of snow capped Pir - Pinjal Mountains of the Middle Himalayas in the far north. A monument of Mian Hathu's times Dhani Dhar Fort lies just to the east, in the west lies the Darhal Tawi a source tributary of Manawar Tawi and historic Rajouri town in the south. College has latitude at 33.25°N and longitude 69.30°E. College has been constructed at a plateau spreading its grandeur of buildings, lawns and grounds over about 100 kanals of land, which houses three separate hostels for boys and girls and staff quarters apart from administrative block, lecture theatres, well equipped laboratories and a multi-purpose Hall to carry out extracurricular activities. The College was reaccredited with "A" Grade by NAAC in 2014. The College has the distinction of being funded by the Department of Science and Technology (DST) Govt. of India under FIST Programme-2014. The College is honoured on being recognised as College with potential for Excellence (CPE) by UGC New Delhi in April 2016.
