National Education Policy (NEP) 2020 aims to revamp all aspects of India's education system that was in place over three decades and bring it closer to the best global standards of education. The cabinet under the guidance of Prime Minister Sh. Narendra Modi has now given a nod to this new education policy for the 21st century. The new education policy is applauded by many authorities and is regarded as a promising model of education reforms that have been brought in India.

NEP 2020: New education policy for higher education

- The four-year bachelor's course is to be preferred in various disciplines. Students who are mid-term dropouts would be given credit for their term they completed and an option to complete their degree after the break.
- Colleges would no longer have an affiliation to the university. The deemed university status will also be ended. Over the next 15 years, the colleges would be given a graded autonomy to provide degrees.
- There is a proposal to cap the fees that are charged by private institutions with respect to higher education.
- Top-rated global universities in the world would be facilitated to come to India, as well as the top Indian institutes would be encouraged to go global.
- There is a proposal for flexible curriculum, creative combos of subjects, integrated vocational education at UG level. Students would also be allowed multiple entries and exit points at the UG level.
- The University grants commission would be replaced by the higher education commission of India.
- After a master's degree, there will be no MPhil degree prior to PhD. Students can directly apply for PhD after their masters.

The policy envisages broad based, multi-disciplinary, holistic Under Graduate education with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entry and exit points with appropriate certification. UG education can be of 3 or 4 years with multiple exit options and appropriate certification within this period. For example, Certificate after 1 year, Advanced Diploma after 2 years, Bachelor's Degree after 3 years and Bachelor's with Research after 4 years.

S. No.	NEP for Higher Education – Key Highlights

2	Around 3.5 crore seats to be added in higher education
3	Undergraduate education can be of 3 or 4 years with multiple exit options and appropriate certification at different stages

4	Academic Bank of Credits to be established to facilitate Transfer of Credits for lateral admission to other institutes
5	Multidisciplinary Education and Research Universities (MERUs), at par with IITs and IIMs, to be set up as models of best multidisciplinary education of global standards in the country
6	The National Research Foundation will be created as an apex body for fostering a strong research culture and building research capacity across higher education
7	Higher Education Commission of India (HECI) will be set up as a single overarching umbrella body for the entire higher education system, excluding medical and legal education. Public and private higher education institutions will be governed by the same set of norms for regulation, accreditation and academic standards.
8	Affiliation of colleges is to be phased out in 15 years and a stage-wise mechanism is to be established for granting graded autonomy to colleges

Flexible UG Courses with Multiple Entries and Exits

As per the NEP, the students will now have options of multiple exits during their UG programme. For example, a student can exit just after 1st year of graduation with a certificate in hand. If he/she opts to exit after the second year, an Advanced Diploma will be awarded for 2 years of successful completion of study. As usual, the 3rd year of UG completion will result in a Bachelor's Degree and 4th year of UG completion will be awarded with a Bachelor's of Research/ Honours.

ترانہ

(گورنمنٹ پبلیک کالج راجوری)

یہ پھول عجب خوشبو بھی عجب یہ باغ ہمارا عجب عجب
گل پوٹ پھاڑوں کا دامن جنت کا نظارہ عجب عجب

یا فضلِ خدا یہ دانش گاہ، خوش رنگ بھی ہے خوش حال بھی ہے
یہ روحِ ارضِ راجوری ہے، یہ نثرِ پیر پنچال بھی ہے
یہ نورِ چراغِ علم و ہنر ہے پیارا پیارا عجب عجب

اک نغمہ مست بہاروں کا، اک منظر لالہ زاروں کا
اک سایا تپتے صحرا میں، اک رستہ ہے گلزاروں کا
دن رات رواں ہے رمِ جہم سے اک نور کی دھارا عجب عجب

ہم خون سے سینچیں گے اس کو، یہ گلشن جان ہماری ہے
تابندہ و پائندہ رہے، یہ آن اور بان ہماری ہے
رہرو بھی یہی رہبر بھی یہی، یہ اپنا سہارا عجب عجب
