Only education is not sufficient if we don't know the feeling of humanity. It tells us about the feeling of "not me but you""participating in every kind of activities helps youth to lead in the right direction and also saves from wordly disputes I really feel proud to be a Nss volunteer as it lifted me to pursue my goals..

Thanks

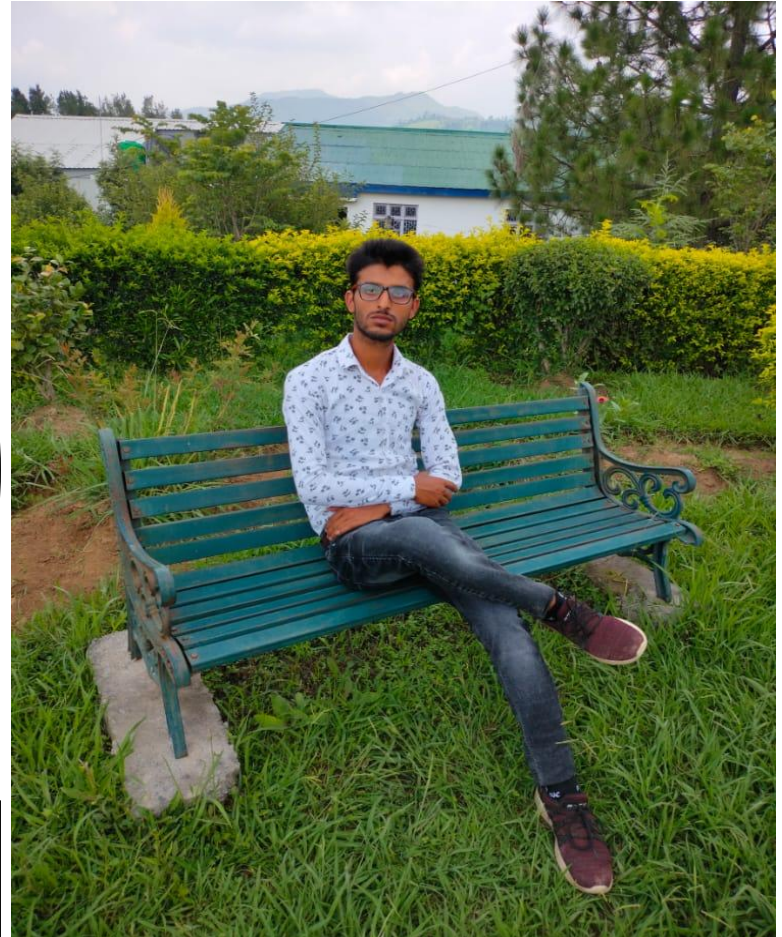

We cannot live by ourselves. No one has ever made it through life without someone else's help. Be helpful and you won't regret because true happiness comes by helping others..So be a Volunteer..

-Aksha Dar

Dear Volunteers, NSS is a universal platform where you will get a chance to express yourself. It is a platform where you will learn a meaning of a real student and you will understand your duties towards your community.

The logo of NSS is based on the giant “Rath wheel” of Konark Sun Temple in Odisha. The wheel portrays the cycle of creation, preservation and release and signifies the movement in life across time and space. The logo thus stands for dynamism and progressive outlook of youth.
